Gentlemen,

Thank you for your very generous gift of a copier (RK826) which was delivered to our parish office on October 1, 2012, as well as the disposal of our non-working unit.

We had been without a copier for about six months, trying to work with a desk-top version but it did not meet our needs. Please know that the office staff is truly appreciative of this upgrade and we are delighted with its quality and ease of use. This copier guarantees fewer trips across the street to use the school copier.

I am grateful to Rick who came to our aid and for the generosity of your company. Please know that your gift makes a difference.

God bless you and keep you well.

Sincerely yours in Christ,

Rev. George Aranha
Pastor, St. Clare Church
